

ZCS260 SMT-L1500 WH

Kod produktu: 60883

Dane techniczne:

- Full product code **910925225211**
- Full product name **ZCS260 SMT-L1500 WH**
- Order code **910925225211**
- Order product name **ZCS260 SMT-L1500 WH**
- Pieces per pack **0**
- Bar code on outerbox - EAN3 **8727900614022**
- Packs per outerbox **1**
- Logistic code(s) - 12NC **910925225211**
- Net weight per piece **0.180 kg**
- Product family code **ZCS260 [ZCS260]**
- Suspension accessories **SMT-L1500 [Suspension set twin 1500 mm]**
- Accessory color **WH [White]**
- Electrical accessories **No**

Suspension set twin, 1500 mm

The EFix TL5 luminaire range is a dedicated, affordable choice of innovative lighting that enables massive energy savings to be made when old electromagnetic installations are replaced by the latest Philips technology. The range's optical performance complies with the latest EN-12464 norms, ensuring improved lighting quality in every application. Used in combination with high-frequency gear, Philips MASTER TL5 lamps enable substantial energy savings to be made. These savings can be further increased by using a Luxsense daylight controller integrated into the luminaire. The practical design of EFix combines both surface-mounted (TCS260) and suspended (TPS262) luminaires in one design. Thanks to the luminaire's easily removable top cover, the beam can be adjusted to provide direct or direct/indirect lighting. EFix is supplied with lamps and is ready to install, minimizing installation time. EFix recessed TBS260 completes Philips' range of luminaires for general lighting applications in offices and shops.

Features

Simple design

MASTER TL5 lamps; suitable for use with high-frequency gear

Mini optics; performance compliant with EN-12464 norms

Integrated Luxsense daylight controller available

Easily removable top cover: allows beam adjustment to provide direct or direct/indirect lighting

Applications

Offices

Shops
