Adjustable spotlight KALU TRACK QPAR111 with suitable adaptor for the 1-circuit track system. Designed as an extension of the popular KALU series this track spot takes on the shape of the product family. Thanks to the incorporated GU10 lamp holder, either ES111 LED or halogen lamps are suitable. To meet all lighting requirements we alternatively offer versions with GX53 lamp holders, and such with incorporated Philips LED modules for the 1 and 3-circuit track system. This luminaire is compatible with bulbs of the energy classes: E - A++
