Portable stainless steel spotlight of the NAUTILUS SPIKE series for spiking into the ground. The electrical connection is made directly to 230V mains supply via cable with incorporated plug. Rated IP55, the fitting is suitable for outdoor use. The lamp head, which is bracket-mounted to the earth spike, is adjustable for individual illumination. The NAUTILUS SPIKE series further includes two aluminum versions with different sized lamp heads. This luminaire is compatible with bulbs of the energy classes: E - A++
