The wall luminaire of the GRAFIT series is made from an aluminum profile and captivates by its very special effect. The lamp shades are made from satined PC held in smoked-grey glass look, that disappears in the on mode. Thereby, the fitting visually comes in two different forms. Rated IP44 it is suitable for outdoor use. The GRAFIT series further includes floor lamps making it universally applicable. This luminaire is compatible with bulbs of the energy classes: A - A+
