This floor lamp of the SITRA 360 series is made from aluminum and is suitable for almost all outdoor lighting requirements by two incorporated, adjustable lamp heads and IP44 rating. For simplified mounting, a suitable spike is available on accessory. The electrical connection is made directly via 230V mains supply. The SITRA 360 series further includes wall, ceiling and spike lamps making it universally applicable. This luminaire is compatible with bulbs of the energy classes: B - A++
