Vigo Led 50w 4000k

Kod produktu: 74155

Dane techniczne:

- Rated power **50W**
- Colour temperature **4000K**
- Energy efficiency class **EEI=A**
- Luminous flux **3500lm**
- Mounting version **Surface**
- Power supply 230V **Power supply 230V**
- Declaration of conformity CE **Declaration of conformity CE**
- LED **LED**
- Electrical protection class 1 **Electrical protection class 1**
- Ingress protection IP65 **Ingress protection IP65**

Specification:
Energy-saving floodlight fitting uses COB LED source. The glass diffuser and the extruded high-efficiency aluminum reflector ensure excellent lighting parameters. A robust aluminium body, a glass diffuser and a metal gasket provide it with a high ingress protection class against water and solids - IP65. The quick-fit clip and bracket inside allow for a tool-free electrical connection. A metal mounting arm with angle adjustment every 15° enables to direct the light sugar precisely. Specification: color temperature 4000K, 6000K; CRI>70.

Application:
This luminaire is intended to lighten facades and billboards.
