Pillar Led 2x9w 4000k 30st. Czarny

Kod produktu: 74225

Dane techniczne:

- Rated power **2x9W**
- Colour temperature **4000K**
- Energy efficiency class **EEI=A**
- Luminous flux **2x600lm**
- Mounting version **Surface**
- Power supply 230V **Power supply 230V**
- Declaration of conformity CE **Declaration of conformity CE**
- LED **LED**
- Electrical protection class 1 **Electrical protection class 1**
- Ingress protection IP54 **Ingress protection IP54**

Specification:
Energy-saving, outdoor accent fitting with a power of 1x9W and 2x9W provides economical and long-term operation without replacing light sources. Dustproof and waterproof luminaire with an ingress protection class IP54, protected against dust and drops of water falling at any angle. Ingress protection class is provided by its design - aluminum body and tempered glass, additionally secured with a seal. Available in two light distribution options: 10° and 30°. Specification: temperature: 4000K, 5000K; light color white, and optionally: red, blue and green.

Application:
The fitting for wall mounting (directly on the surface using dowels) designed specifically for outdoor accent lighting of building facades such as: hotels, offices, apartment buildings, but also private houses, passageways and exit areas.
